

DJ WANK | Technical Rider

DJ Wank will be playing both vinyl & traktor timecode vinyl.

Hardware which must be provided.

- 2 x Technics: 1210 or 1200 turntables (*with working lights & good Ortofon concord needles*)
- 1 x High quality DJ mixer (any mixer will do, as long as there is an eq, and volume control for the monitor sound)
- 2 x High powered stereo monitor speakers, volume controllable at the DJ mixer.
- 1 x Power outlet.

Provided hardware if possible, if not it will be provided by DJ Wank.

- 1 x Traktor 8 audio soundcard
- 1 x USB Kontrol X1 (MK1)

Make room on the DJ table for.

- 2 x Turntables
- 1 x Mixer
- 1 x USB Kontrol X1
- 1 x Laptop

IMPORTANT

Make sure the turntables are in a stabile setup, so feedback won't occur from the PA system on the dance floor.
Access to the back of the DJ mixer, so necessary cables can be plugged in.
If there are any questions, feel free to make contact and we will sort them out. Thanks.
